

BRING GOOD NEWS

Helping "to send workers into his harvest field." *Matt 9: 38*

December 3, 2008

Dear Friend,

The year 2008 has been a great year to be thankful and to praise God ... for ***Bring Good News***. We'd like to briefly share with you some highlights of our ministry with our partners in the mission field.

Overall, ***Bring Good News*** (BGN) conducted 67 free medical clinics and served over 14,600 patients in Mexico, Egypt, Myanmar, Philippines, India and Pakistan. Bibles and other Christian literature in their languages were distributed when feasible. Our missionary partners and hosts in Egypt, India, Myanmar and Pakistan were very appreciative of the medical camps we have done together. They recognized that the medical outreach had positively impacted their church planting efforts.

Egypt – Nearly 1,000 Sudanese refugees in Cairo were recipients of medical care. According to our Arab partner, the medical missions helped them to start two house churches near Cairo (among the Sudanese) and two house churches in Assiut (among the Egyptians) during the past 4 years.

Myanmar – Two evangelists ***Bring Good News*** is supporting to plant churches among two unreached people groups were grateful to receive motorbikes from IDES. The bikes would help them minister to the Buddhist peoples who reside in the mountains in Shan State. It's a blessing, a time and energy saver not to trek for 5 hours to reach their destinations.

Pakistan – God has been blessing the pastor we are supporting as he works among the unreached people in two villages in Kasur. There are now two core groups of Christians who are ready and anxious to have their own church buildings to worship God openly.

Mexico – A BGN construction team replaced the roof and ceiling of a parsonage in Matamoros, painted the exterior of the house and provided running water to the minister's family. The project was completed just before the hurricane hit the area and Brownsville, TX, in July.

BRING GOOD NEWS

Helping "to send workers into his harvest field." *Matt 9: 38*

Philippines – At one of the 3 medical clinics in the island of Palawan last April, a bus accident occurred at a nearby highway. Twenty victims were rushed to our clinic since the nearest hospital was 2 hours away. The medical camp became an ER for a couple of hours. The mayor of the town said that the team was "God sent". Praise the Lord.

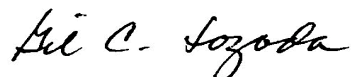

North India – After driving 6 hours to villages damaged by massive flooding, we visited some of the victims and distributed additional relief goods. Our mission partner has 3 churches in the area that were seriously impaired and whose members lost their personal belongings. Winter is coming and there is no heating system in the villages. The church leaders asked for 500 blankets to distribute to keep their people from freezing. ***Can you help BGN to raise the funds so we can help avert additional sufferings for the Christians and unbelievers in these sites? A family-size winter blanket cost \$8.00 each. Contact us if you can help.***

South India - We examined over 3,000 patients at 14 medical camps, baptized 17 people into Christ and dedicated a new church building "for God's glory". A new Christian school for children, grades 1 through 6, will be opening by the spring 2009. God is blessing our ministry partner in South India and his 38 pastors and evangelists who are devotedly working to make Jesus Christ known to tribal peoples.

Please prayerfully consider to join hands with us and participate in our mission to plant churches among the unreached peoples and provide resources to our native partners to assist their ministries. Kindly send your gifts and financial support, payable to: ***Bring Good News***, c/o South Nassau Christian Church, 3147 Eastern Parkway, Baldwin, NY 11561.

We welcome your partnership, prayers and financial support. We are grateful to all of you who continue to support this ministry. May the grace and peace of the Lord Jesus Christ be with you.

Your coworker in His harvest field,

"Speak up for those who cannot speak for themselves, for the rights of all who are destitute. Speak up and judge fairly; defend the rights of the poor and needy."

Prov. 31:8-9
